The Commission has requested clarification on Schedule A of our report from individuals who have mailing addresses outside of the United States. In accordance with the safe harbor guidelines outlined in 11 CFR 110.20(a)(7), the Committee has safeguards in place to ensure that the contributions are not made by foreign nationals. When the Committee receives a contribution from a donor with a foreign address, it sends a follow up letter via regular mail or via email requesting that the donor verify they are a U.S. Citizen and affirming that they are not prohibited from contributing. If the committee has any information indicating the contribution is impermissible, a refund is issued within 30 days of the committee making this determination.

Foreign verification letters have been sent to the following donors.
Dan Hutchinson – Committee is awaiting letter to be returned

Permissible funds verification letters have been sent and returned by the following donors.

Kathleen S. Roberts - letter returned, funds permissible

Regarding contributions from Vicki Bishop, the entry for \$52 on 1/22/2016 should have been a memo entry. The original contribution of \$100 was received on 1/22/2016. The committee received authorization to reattribute \$48 of this contribution on 1/28/2016 leaving \$52 of the original contribution attributed to Vicki Bishop.

The following donors' contributions records have been reviewed and the excess portions of their contribution were redesignated to the general election. These redesignations took place in February 2016 and have been reported accordingly in the M3 2016 report.
